Respected Ma'am/Sir,
Hope you are in the best of health!

Please find the attached official letter and accompanying information outlining the International Cyber Olympiad's information, objectives, and significant achievements over the past years. Your support and recognition would greatly contribute to the promotion of cyber security awareness and technological revolution amongst the students across our nation and beyond.

The International Cyber Olympiad 2023 is an esteemed competition that provides students from various countries an opportunity to showcase their proficiency in Computer Science and Cyber Security. It aims to foster international cultural exchange, motivate students in the field of technology, and strengthen the skills of the students. By participating in this event, students enhance their computer skills, technological awareness, and broaden their global perspectives.

Please find the attached documents.
