Dear Sir,

Greetings from Quality Council of India (QCI)!

NBQP, a constituent board of the Quality Council of India (QCI)—an autonomous body set up by the Ministry of Commerce and Industry—is committed to promoting a culture of Quality across India through national campaigns and initiatives.

To realize the vision of Viksit Bharat 2047, it is essential to instill the principles of Quality in our children—India's future decision-makers. With this objective, we organize the annual "Quality Summer Funcamp", a nationwide online competition that engages students (up to 18 years) in fun and interactive challenges, fostering creativity, critical thinking, and problem-solving skills while reinforcing the importance of Quality in everyday life.

Since its launch in 2023, the Funcamp has successfully completed two editions, with the 2024 edition receiving enthusiastic participation, supported by the Ministry of Education, Government of India, and CBSE. We are now excited to introduce the 3rd edition—Quality Summer Funcamp 2025, scheduled from April 15 to July 20, 2025. This year's theme, "Quality Champions: Small Steps, Big Impact," aims to inspire students to understand how small, Quality-driven actions can contribute to India's journey toward Viksit Bharat @2047.

### Request for Support
